Our School

At Edrovale College, our students develop and grow within a safe and effective learning environment. This is a product of a deep commitment to world class, learner-centred excellence by The Responsible Authority, teachers, staff and parents; and results are clear.

The success goes beyond academics. Our students will excel in each of the four A's: Academics, Activities, Arts and Athletics, while also developing a moral that will guide them after high school—in college, their career and life. In our classrooms you will find a challenging, college-preparatory Cambridge IGCSE and AS&A Level Curriculum, highly qualified, experienced and caring teachers, innovative teaching and leading technologies.
